OUTDOOR PROGRAM

At Christmas time, Zurich is transformed into an enchanting fairy tale world. Whether it is the historical district, the Bahnhofstrasse or the Limmatquai. The Kreaktiv Christmas Game in Zurich will not fail to get you into the festive spirit.

After a short introduction given by the Kreaktiv guide, you will form teams of 5 to 6 people. The aim of the game is to discover the secrets, specialties and delights of the festive season in Zurich. You will discover the city in all its spectacular winter glory in a fun and exciting way.

Equipped with photos, maps, location descriptions and digital cameras, you will seek out hidden items, solve tricky tasks and interactively find answers to questions.

After the game, all the teams will meet at a restaurant of your choice where you have the opportunity to enjoy a well-deserved aperitif or an excellent dinner. During this time, your guides will evaluate your questionnaires and the winner of the game will be celebrated in a winner's ceremony.
